

Directions for Using WebQuery

Example: 1000 N Cummings Drive

Enter the house number and **use only 2 or 3 letters of the street**, then pick the **GRADE** your child is in (or choose "ALL GRADES" to see every school in your area), then press GO. You will see:

Welcome to edulog's WebQuery

WebQuery helps you determine the schools a student is eligible to attend and the available bus stops. WebQuery also provides a helpful street map. Just enter the student's information and click "Go."

WebQuery helps you match your typed in address with an address in the database by allowing you to enter a partial street name. For example, you could enter "2555 Lex" to match "2555 Lexington Ave N"

Student Information:

Address Grade Program * optional

User Information:

Select a Street:

[1000 N CUMMINGS DR,76009](#) [1000 S CUMMINGS DR,76009](#)

Click the correct street in the list. Tip: if the street you want is not listed, try typing just the first few letters of the street name to get a larger list of possible street name matches.

Now you will see different streets and that there is a North and South Cummings. You will need to find out which direction is correct. In this instance if you choose 1000 N Cummings Dr, you will see...
